DETAILED ACTION

Drawings

1. The drawings filed August 5, 2002 are acceptable.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, in a method of connecting channels comprising forming at least one flow path in a first substrate, forming at least one flow path in a second substrate, contacting the first and second substrates to form at least one channel and forming at least one cut in an external face of the substrate, the cut being of sufficient depth to intersect one or more of the channels such that in use, a fluid passing along a fluid pathway defined by the at least one cut may pass into the at least one channel, the prior art does not teach or make obvious the concept of the substrates being bonded before the at least one cut is formed therein in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
